PLEASE READ THIS STATEMENT, IT AFFECTS YOUR RIGHTS AND BECOMES A PART OF YOUR LEASE.

All properties require first month's rent and a security deposit. We require that a holding fee be paid immediately once you have been approved for the rental. This holding fee is \$50 less than the monthly rent and once you sign the lease, it will become your security deposit. This application and the contents thereof are considered a part of the rental agreement. I realize that I acquire no rights of tenancy until I sign a rental agreement in the form submitted to me. Applicant understands that the security deposit is forfeited if tenancy is less than six months unless lease period is six months or less or indicated in writing; however, the tenant will still be responsible for any damages that have been incurred at the property and any unpaid rent/late fees/utilities. I have read and understand the above. I have received a copy of the Law of Real Estate Agency and my signature below so acknowledges this fact.
